Mediating Vulnerability Anneleen Masschelein 2021-11-25 Mediating Vulnerability examines vulnerability from a range of connected perspectives. It responds to the vulnerability of species, their extinction but also their transformation. This tension between extreme danger and creativity is played out in literary studies through the pressures the discipline brings to bear on its own categories, particularly those of genre. Extinction and preservation on the one hand, transformation, adaptation and (re)mediation on the other. These two poles inform our comparative and interdisciplinary project. The volume is situated within the particular intercultural and intermedial context of contemporary cultural representation. Vulnerability is explored as a site of potential destruction, human as well as animal, but also as a site of potential openness. This is the first book to bring vulnerability studies into dialogue with media and genre studies. It is organised in four sections: 'Human/Animal'; 'Violence/Resistance'; 'Image/Narrative'; and 'Medium/Genre'. Each chapter considers the intersection of vulnerability and genre from a comparative

perspective, bringing together a team of international contributors and editors. The book is in dialogue with the reflections of Judith Butler and others on vulnerability, and it questions categories of genre through an interdisciplinary engagement with different representational forms, including digital culture, graphic novels, video games, photography and TV series, in addition to novels and short stories. It offers new readings of high-profile contemporary authors of fiction including Margaret Atwood and Cormac McCarthy, as well as bringing lesser-known figures to the fore.

Carnal Knowledge Charles Hodgson 2015-02-03 From head to toe to breast to behind, Charles Hodgson's Carnal Knowledge is a delightfully intoxicating tour of the words we use to describe our bodies. Did you know: -eye is one of the oldest written words in the English language? -callipygian means "having beautiful buttocks"? -gam, a slang word for "leg," comes from the French word jambe? A treat for anyone who gets a kick out of words, Carnal Knowledge is also the perfect gift for anyone interested in the human body and the many (many, many) ways it's been described.

Couplehood Paul Reiser 2011-06-01 In the tradition of the #1 best-seller *SeinLanguage*, Bantam Books proudly

presents the first book by Paul Reiser, television's sharpest, funniest observer of love, marriage and other mysteries of life. A veteran comic performer, Reiser is best-known as the co-creator and star of the highly-rated NBC comedy, "Mad About You", which Time Magazine called "The season's best new sitcom" in its 1992 debut. Now for the first time, Reiser brings his trademark wit to the page in a book that will delight his eagerly-awaiting audience, and anyone else who has ever fallen in love -- or tried not to. In *Couplehood*, a New York Times bestseller for more than 40 weeks, Reiser reflects on what it means to be half of a couple -- everything from the science of hand holding, to the technique of tag-team storytelling, to the politics of food and why it always seems to come down to chicken or fish.

I Have a Superpower Stephen Curry 2022-09-06 Three-time NBA champion and superstar Stephen Curry makes a splash with his picture book debut inspiring young readers to unlock their very own superpower. Now, Curry pens an original story to inspire the next generation of go-getters and big dreamers. *I Have a Superpower* is the empowering story that teaches kids you don't have to be the strongest, fastest, or even tallest kid out on the court. So long as you have heart, any goal is achievable through hard work and determination—even without a cape!

Killing Monsters Gerard Jones 2008-08-04 Children choose their heroes more carefully than we think. From Pokémon to the rapper Eminem, pop-culture icons are not simply commercial pied pipers who practice mass hypnosis on our youth. Indeed, argues the author of this lively and persuasive paean to the power of popular culture, even trashy or violent entertainment gives children something

they need, something that can help both boys and girls develop in a healthy way. Drawing on a wealth of true stories, many gleaned from the fascinating workshops he conducts, and basing his claims on extensive research, including interviews with psychologists and educators, Gerard Jones explains why validating our children's fantasies teaches them to trust their own emotions and build stronger selves.

The Lieutenant of Inishmore Martin McDonagh 2014-09-22 'There's more than one way to skin a theatrical cat; and McDonagh's chosen weapons are laughter and gore... Pushing theatre to its limits, McDonagh is making a serious point... a work as subversive as those Synge and O'Casey plays that sparked Dublin riots in the last century' Guardian 'A brave satire... Swiftianly savage and parodic... with explicit brutal actino and lines which sing with grace and wit' Observer Who knocked Mad Padraic's cat over on a lonely road on the island of Inishmore and was it an accident? He'll want to know when he gets back from a stint of torture and chip-shop bombing in Northern Ireland: he loves his cat more than life itself. The Lieutenant of Inishmore is a brilliant satire on terrorism, a powerful corrective to the beautification of violence in contemporary culture, and a hilarious farce. It premiered at the RSC's The Other Place, Stratford-upon-Avon, in May 2001. Commentary and notes by Patrick Lonergan

To the Limit Marc Eliot 1997 A full-scale biography of the Eagles offers an unauthorized, behind-the-scenes glimpse of rock 'n' roll life, following the band from their early career, to their self-destructive, decadent fall into the excesses of the 1970s, to their remarkable comeback. 50,000 first printing. The VW Camper Van Mike Harding 2013-05-23 It was invented immediately after the war, in the factory a far-sighted English military man had set up to turn the German economy from making machines of warfare to more pacific products. By the seventies that dream had been amply fulfilled, as the VW Campervan became the conveyance of choice for West Coast hippies, Australian surf bums and Europeans taking the overland route to find enlightenment and good karma in India. It had also become - indeed, still is - the first choice for any couple, or family, seeking a cheap camping holiday with wheels attached. So never mind the oddly off-centre driving wheel, the vagaries of the aircooled rear engine - the VW Campervan had become more than a vehicle - it had truly become a way of life. Mike Harding's first ride in a Volkswagen Camper Van was back in 1961, when it was the carrying around the gear and bandmembers of his rock band the Manchester Rainmakers. Finally, in 2009, he could wait no longer, and bought his own, a 2001 Type 2 bay window Brazilian import Danbury conversion in hot orange and off white. Add in the endless curiosity of the author of eight monographs on church architecture, and the hilarious sense of humour of one of Britain's best stand-up comics, and you have a wonderful social history of the postwar years through the prism of a single transport icon.

The Man Who Heard Voices Michael Bamberger 2006-07-20 A behind-the-scenes look at the groundbreaking filmmaker M. Night Shyamalan In his relatively young career, M. Night Shyamalan has achieved phenomenal commercial and critical success. His films *The Sixth Sense*, *Unbreakable*, *Signs*, and *The Village* have grossed over \$1.5 billion and reinvented the thriller genre. Because Shyamalan has worked outside of the Hollywood system, however, his filmmaking habits and personality have remained largely unknown. But reporter Michael Bamberger obtained unprecedented access to Shyamalan during the tumultuous production of his film *Lady in the Water*, and in *The Man Who Heard Voices* exposes the struggles and triumphs of this modern-day Hitchcock at work. From revising the screenplay to shooting on location and evaluating the crucial initial test screening, *The Man Who Heard Voices* tracks all stages in the life of Shyamalan's film. Bamberger delves into Shyamalan's relationship with the actors and the studio (he moved from Disney to Warner Bros. for this film) while also profiling various players on set. The result is a fascinating insider portrait of creative genius—and the real-life story behind a Hollywood thriller.

And in the nineties, Craven returned with the *Scream* films, which were simultaneously funny, clever and scary films that overturned the horror cliches of the eighties. The present work provides a history of Craven's film career since 1972, examining all the themes and techniques the filmmaker explored. For each film, a synopsis, cast and credits, historical context, and critical commentary are provided. Also covered in detail are Craven's forays into television, including movies such as *Stranger in the House* and work on such series as *The New Twilight Zone*.

The Lover Harold Pinter 1965 THE STORY: A husband goes to his office politely asking if his wife's lover will be coming today. She murmurs 'Mmmm,' and suggests he not return before six. In order not to return before six he will no doubt visit a prostitute. A competition is glossily established. When the lover does come, he is the husband, which is not surprising. The kind of sex-play follows that suggests this is the necessary titillation, and the necessary release of hostility, between a man who means to be master of the house and a wife who means to be both wife and mistress, whatever the house may be. But there is a flaw in the accommodation. The lover is weary of his mistress; she is no longer particularly appetizing. By the time he returns, as husband, in the evening, his wife is still disturbed by the news. The performance of the afternoon has begun to carry over into the reality (or pretense) of the evening. Suddenly the husband is not quite husband, diffident over his drink. He is blurring into the lover, at the wrong hour, and angrily. The wife must seduce him now as wife, not as mistress. She does. -NY Herald-Tribune.
