**Best Loved Folk Tales of India** Pranab Chandra Roy Choudhury 1999-08 India is a treasure-trove of folktales born out of the customs and traditions of the country. Sometimes these tales are retold in its different regions, while imparting the local flavour to them. The mobility of the folktales can be attributed to the

pilgrims and travellers journeying from one part of the country to another. They rested at night in dharamsalas or inns, often attached to temples, where they mingled among themselves and with the local people. More often than not, folktales are passed on from grandmother to grandchildren so vividly that they are impressed in the listener's memory forever. They are delightful and fascinating to the young as well as the old. The same story even when heard repeatedly does not lose its interest as it appeals to the fantasies, the make-beliefs and the primitiveness in us. These beautiful folktales of India were on the verge of extinction when a project of compilation of 21 volumes consisting of folktales of different regions was launched by Sterling. These folktales have been gleaned from the larger collection.

**Puffin Classics: Timeless Tales from Marwar** Vijaydan Detha 2020-01-25 For centuries, Rajasthan has been a gold mine of oral traditions and histories with Padma Shri Vijaydan Detha being one of the foremost storytellers of all time. Timeless Tales from Marwar gives a new lease of life to his folk tales. It is a hand-picked compilation from the much-celebrated Batan ri Phulwari--'Garden of Tales'--a fourteen-volume collection written over a span of nearly fifty years. Retold in Detha's magical narrative style complete with imagery, this selection offers some of the oldest and most popular fables from the Thar Desert region. Discover tales of handsome rajkanwars, evil witches, exploitative thakars, miserly seths, clever insects, benevolent snakes and more. Vishesh Kothari's vivid English translation introduces one of the most venerated figures in Rajasthani folk culture to a wider audience.

**The Indian Subcontinent in Literature for Children and Young Adults** Meena Khorana 1991 This bibliography examines literature in English for young people concerning the Indian subcontinent and associated areas, including Bangladesh, India, Nepal, Pakistan, and Sri Lanka. It presents the perspectives of authors native to the region as well as non-native authors, and reflects the rich folklore and traditional culture of the subcontinent, its checkered history, and modern challenges. An introductory essay traces the development of children's literature in the region since 1947 and reviews major themes and trends in western children's literature about the subcontinent. The many entries are organized into chapters by country, which are then subdivided by genre. Further access is afforded by indexes of authors, illustrators, titles, and subjects. Annotations provide plot summary, thematic analysis, and literary evaluation and also assess sensitivity to multicultural and international concerns.
